A PROGRAMME

Preach the Word : be instant in season, out of season ; reprove, rebuke, exhort with all long suffering and doctrine."—1 TIMOTHY, 4 : 2.

Entered according to Act of Congress, in the year 1845, by
DANA AND COMPANY,
in the Clerk's Office of the District Court of the United States, for the Southern District
of New-York.

TO THE CLERGY
OF THE
PROTESTANT EPISCOPAL CHURCH.

THE writer has been in the habit for several years past, of preparing for his own use, a programme, more or less like the one now offered. This is the first one he has ever printed, except an occasional programme of Lenten Services, mainly intended for congregational use.

The expediency and practicability of a previous arrangement of Themes and Texts for the Ecclesiastical Year, have been confirmed by the past experience of the writer. However, notwithstanding a previous arrangement, as above named, he has often felt at liberty to depart from it, as circumstances have suggested.

The accompanying Programme is published mainly in accordance with the wishes of several clerical brethren, who have kindly intimated that it might be useful to the younger clergy;—useful, if not in the selection of Themes, Texts, &c., it might be so at least, in the PLAN herewith submitted.

The writer, in conclusion, takes this opportunity of saying, that he is now preparing a Programme for the Ecclesiastical Year of 1856-7, with *blanks* for the Subject, Text,

Psalm and Hymn, which the clergyman can fill up for himself. There will, however, be an Appendix containing Subjects and Texts, taken mainly from the Lessons, Gospel and Epistle for the Day, together with suitable Psalms and Hymns. Due notice will be given of its publication.

Your Brother in Christ,

N. W. CAMP.
